"Together Everyone Achieves More"

Dear parents and carers,

Thank you for all of your support and commitment during this week; our children have been as fabulous as always and have represented our academy extremely well. You may have noticed the work that is currently going on at the front of the school building! This is because I am opening up a new entrance to the school site which will help us to ensure that all visitors, parents and children are even safer when arriving on the premises. The work should be completed next week and I will let you know the new access arrangements as soon as we are happy with everything.

Have a great weekend,

Miss Pope, Head of School

School Council

A huge thank you to our School Council who have recently raised money through their "Reading Buddies" afternoon so that they can improve the playground provision at break and at lunchtime. They have purchased lots of lovely new resources which should arrive in school in the next couple of weeks and playleaders have been appointed so that our fabulous children learn lots of new games to play. The school council said that they want playtimes to be more fun and they are going to make that happen!
