

Kidsgrove Primary School

Equality Policy

Statement of Intent

Kidsgrove Primary School recognises that certain groups in society have historically been disadvantaged on account of unlawful discrimination they have faced on the basis of their race, gender, disability, religion/belief, sexual orientation or age.

This policy will put in place a range of actions to eliminate prejudice, unlawful discrimination and victimisation within the school community and workforce.

1.1. This policy has due regard to statutory legislation including, but not limited to, the following:

UN Convention on the Rights of the Child
UN Convention on the Rights of Persons with Disabilities
Human Rights Act 1998
Special Educational Needs Regulations 2014
Education and Inspections Act 2006
Equality Act 2010
The Equality Act 2010 (Specific Duties) Regulations 2011

1.2. The Equality Act 2010 provides a modern, single legal framework with three broad duties:

- Eliminate discrimination
- Advance equality of opportunity
- Foster good relations

1.3. Kidsgrove Primary School fully understands the principles of the Act and the work needed to ensure that those with protected characteristics are not discriminated against and are given equal opportunities.

1.4. A protected characteristic, under the Act, is as follows:

- Age
- Disability
- Race, colour, nationality, ethnic or national origin
- Sex (including transgender people)
- Gender reassignment
- Maternity and pregnancy
- Religion and belief
- Sexual orientation
- Marriage and civil partnership (for employees)

1.5. The Act makes it unlawful for the responsible body of a school to discriminate against, harass or victimise a pupil or potential pupil:

- In relation to admissions.
- In the way it provides education for pupils.
- In the way it provides pupils access to any benefit, facility or service.
- By excluding a pupil or subjecting them to any other detriment.

2. Principles and Aims

We see all learners and potential learners, and their parents and carers, as of equal value, regardless of their race, gender, disability, religion/belief, sexual orientation or age.

Our policies, procedures and activities must not discriminate but must nevertheless take account of differences of life-experience, outlook and background, and in the kinds of barriers and disadvantages which people may face in relation to their race, gender, disability, religion/belief, sexual orientation or age.

Kidsgrove Primary School will promote race equality and have due regard to eliminate unlawful racial discrimination, promote equality of opportunity and promote good relations between people of different racial groups.

Kidsgrove Primary School will promote disability equality throughout the school, ensuring equality of opportunity, eliminating unlawful discrimination, eliminating disability-related harassment and encouraging participation by disabled people in public life.

Kidsgrove Primary School will promote gender equality by eliminating unlawful discrimination and harassment, and promote equality of opportunity between men and women, girls and boys.

Transgender people are explicitly covered by the gender equality duty. For the purposes of this policy, the term ‘transgender’ refers to an individual whose gender expression or identity is different from that traditionally associated with the sex they were assigned at birth. This school will respect the confidentiality of those seeking gender re-assignment and will provide a supportive environment within the social community.

Kidsgrove Primary School is opposed to all forms of prejudice and recognises that children and young people who experience any form of prejudice-related discrimination may fare less well in the education system.

Kidsgrove Primary School will ensure that all staff comply with the appropriate equality legislation and regulations.

Kidsgrove Primary School’s Admissions Policy will not discriminate in any way.

The school will:

- Ensure staff are aware of their responsibilities, are given necessary training and support, and report progress to the Academy Council.

- Ensure that the recording and reporting of equality and diversity is sufficiently scrutinised.
- Foster positive attitudes and relationships, and a shared sense of cohesion and belonging,
 - and ensure this is promoted in our policies, procedures and activities.
- Observe good equalities practice in staff recruitment, retention and development, and ensure that all policies and procedures benefit all employees and potential employees regardless of their race, gender, disability, religion/belief, sexual orientation or age, and with full respect for legal rights relating to pregnancy and maternity.
- Reduce and remove inequalities and barriers that already exist.
- Engage with a range of groups and individuals to ensure that those who are affected by a policy, procedure or activity are consulted and involved in the design of new policies and in the review of existing ones.
- Ensure that policies, procedures and activities benefit society as a whole, both locally and nationally, by fostering greater social cohesion, and greater participation in the public life of everyone, regardless of their race, gender, disability, religion/belief, sexual orientation or age.
- Ensure staff promote an inclusive and collaborative ethos in the school, challenging inappropriate language and behaviour, responding appropriately to incidents of discrimination and harassment, and showing appropriate support for pupils with additional needs, maintaining a good level of awareness of issues surrounding equalities.

3. Objectives

Whilst continuously aiming to improve the implementation of equality-related policies and procedures, Kidsgrove Primary School has established the following objectives:

- To monitor changes to the curriculum to ensure they result in good outcomes for pupils in all vulnerable groups, and to review the curriculum in light of new performance measures.
- To improve the quality of support for pupils in all vulnerable groups in the classroom.

5. Gender Reassignment and Gender Variance

The Act ensures legal protection against discrimination (direct or indirect) for everyone under the nine protected characteristics mentioned previously, including gender reassignment and variance.

A person has the protected characteristic of gender reassignment if that person is proposing to undergo, is undergoing or has undergone a process (or part of a process) for the purpose of reassigning the person's sex by changing physiological or other attributes of sex.

All members of staff and pupils have a right to privacy, which includes the right to keep one's transgender status confidential. School staff should not disclose information that may reveal a child or other staff member's transgender status.

The school will appoint a staff member in whom any transgender child can confide and who can deal with any issues that may arise, for instance bullying or harassment.

A glossary of terminology related to the transgender field can be found on the [Gender Identity Research and Education Society Website](#).

6. Uniform/Dress Policy

The Act does not deal specifically with school uniform or other aspects of appearance, such as hair colour and style, and the wearing of jewellery and make-up, but the general requirement not to discriminate in the treatment of pupils applies here in relation to other aspects of the school policy.

Kidsgrove Primary School will ensure that blanket uniform policies do not discriminate because of race, gender, disability, religion/belief, sexual orientation or age.

Kidsgrove Primary School will be sensitive to the needs of different cultures, gender reassignment and variance, races and religions and act reasonably in accommodating these needs, without compromising important school policies, such as school safety or discipline.

7. Curriculum

All pupils will be entitled to access to a curriculum and to teaching and learning opportunities which meet their needs, including extra support where this has been identified as a statutory need. When planning the curriculum, the school will take every opportunity to promote and advance equality.

8. Promoting Equality

In order to meet our objectives, the school has identified the following priorities:

- Staff will ensure that all pupils are able to take part in extra-curricular activities and residential visits, and the school will monitor uptake of these visits to ensure no one is disadvantaged on the grounds of a protected characteristic.
- There will be differential schemes of work designed to meet the abilities and learning styles of all pupils.
- There will be a clearly defined behaviour system, which will be consistently enforced.
- The school will avoid where possible, gender segregated activities and where this cannot be avoided, allow the child to access the activity that corresponds to their gender identity.
- The school will include family diversity and reference to LGBT people continuously through PSHE, emotional literacy and the wider curriculum.
- Challenge bullying and discrimination.
- Promote positive attitudes to gender diversity by including trans issues within activities relating to discrimination, hate crime, diversity, inclusion, SRE and PSHE.
- The school will ensure there is reasonable access, given the fixed building limitations, to the physical environment of the school.
- The school will improve the delivery of written information to disabled children and young people.
- The school will seek the views of advisory staff, outside agencies and local schools.
- Throughout the year, the school will plan ongoing events to raise awareness of equality and diversity.
- Bullying and prejudice will be carefully monitored and dealt with accordingly. Regular training will be given to both existing and new staff to ensure that they are aware of the process for reporting and following up incidents of prejudice-related bullying.

9. Developing Best Practice Learning and Teaching

- We aim to provide all our pupils with the opportunity to succeed, and to reach the highest level of personal achievement. To do this, teaching and learning will:
- Provide equality of access for all pupils and prepare them for life in a diverse society.
- Use materials that reflect a range of cultural backgrounds, without stereotyping.
- Use materials to promote a positive image of and attitude towards disability and people with disabilities.
- Use materials which promote a positive image of and attitude towards same sex partnerships and family groups.
- Use materials to promote a positive image and attitude towards transgender and gender fluidity.
- Promote attitudes and values that will challenge discriminatory behaviour.
- Provide opportunities for pupils to appreciate their own culture and religions and celebrate the diversity of other cultures.
- Use a range of sensitive teaching strategies when teaching about different cultural and religious traditions.
- Develop pupils' advocacy skills so that they can detect bias, challenge discrimination, leading to justice and equality.
- Ensure that the whole curriculum covers issues of equality and diversity.
- All subject leaders, where appropriate, promote and celebrate the contribution of different cultures to their subject area.

10. Addressing prejudice-related incidents

Kidsgrove Primary School is opposed to all forms of prejudice and we recognise that pupils and staff who experience any form of prejudice-related discrimination may fare less well in the education system.

The school will ensure that pupils and staff are aware of the impact of prejudice in order to prevent any incidents from occurring.

If incidents still occur, the school will address them immediately and report them to the LA.

11. Appeal process

Staff members retain the right to appeal against a decision on the acceptability of their appearance using Kidsgrove Primary School grievance procedure.

12. Monitoring and review

Kidsgrove Primary School will review this policy regularly via the headteacher, to ensure that all procedures are up-to-date.

The policy will be monitored and evaluated by the headteacher and the Academy Council in the following ways:

- Individual attainment data
- Equal opportunities recruitment data
- Equality impact assessments
- Ofsted inspection judgements on equality and diversity
- Incident records related to harassment and bullying

Any changes made to this policy will be communicated to all members of staff.
